OVERVIEW

Wisconsin Housing Preservation Corp (WHPC) is a non-profit housing provider, developing and managing affordable living. Strong management and strategic plans have been noticed and supported by many noteworthy equity firms in recent years. The current portfolio has 400+ locations. This site installation is in Beloit WI.

GOAL

Save 15% in water usage consumption with 0% effect on water flow rate and psi.

RESULTS

Installation took 4 hours. PSI and water flow were tested to show equal pressure and volume flow after install for 6-Story building. First water bill shows clearly lower water usage from the preceding month and against the overall baseline.
